JEREMIAH MALONE • (931) 309-6805
118 Powdermill Hill Lane • Lawrenceburg, TN 38464-8282
jrmalone20@gmail.com • WWW.JM-CATTLECOMPANY.COM

We would like to invite you to our JM Cattle Company Spring Cow Dispersal. What a year 2019 has been! It's been one of the craziest years for us. A lot of people have called wondering if we are getting out of the cattle business. The answer is absolutely not!

It has been a while since our last Genetic Advantage Sale. We used those production female sales to regulate our spring herd. By sale day October 19, 2019, we will be over 500 total head here at JM CATTLE COMPANY! It is pretty simple why we have to reduce our herd. We produce over 4,000 rolls of hay per year of which 1,500 comes the month of May. The same month we are putting crops in, spraying 1,200 acres of pasture and hay ground, weaning fall calves, working 450 head. Not to forget 130 spring cows to AI, and turning in bulls. It is a lot of work for me and two- man crew to accomplish in less than 30 days.

Our fall herd is an amazing group. I wish I could just move all these awesome cows to the fall, but that is not possible. Candace and I have chosen to pass these great females opportunities on to you. We didn't hold anything back! From Donors, to National Champions, to the Best Black Hereford Show Prospects you will find anywhere in the Nation they are in the sale. All the Hereford females are bred to top Hereford bulls. We wanted to keep it simple, so if it is Red they are bred to Herefords. All open heifers will be sold with two straws of any of the JM Cattle Company Bulls you choose. All shipping expenses will be covered by the buyer.

We look forward to seeing all of you guys here. It will be a great time of fellowship and cattle viewing.

Thanks
Jeremiah Malone

SALE LOCATION

The sale side sits on the south side of Hwy. 64, look for facility and signs.
FROM PULASKI head west on Hwy. 64 9 miles to JM Cattle Co.
FROM LAWRENCEBURG head east on Hwy. 64 to JM Cattle Co.

- Jeremiah had this heifer in mind to be Lot 1 from the day she was born. Beautiful in her design and as long made as anything you can find. She has the extra turn and shape to her rib cage with extra capacity. Smooth and balanced this gal has a huge hip and loaded power. She is full of growth and performance as well as being exceptionally good marked. Her sire, MM Outcross 1312 is the full brother to BR Belle 4082, the mother of two-time Supreme National Champion Belle Aire. Extra depth and massive shape to her rib cage with that I got to have it look. If you are needing a donor that can stand some heat in the show ring this is the place to be.
- Ranks in the top 10% for YW; top 15% for WW; top 20% for CW, REA.
- Sells open.

BR BELLE 4082 • Full sister to sire of Lot 1 & dam of BR Belle Aire 6017
